

MEIKO EUROPE n.v.

INTERNATIONAL FREIGHT FORWARDERS

Recommendation

Hereby we have the pleasure to confirm that Undicom.pl company has designed and implemented a website for Meiko Europe in 2021.

Agency was commissioned to create a responsive website that would be adapted to the needs of users and fit into our technical and graphical requirements.

We expected above all a creative and modern approach to websites, flexibility in fulfilling the order and timeliness. All this was offered by Undicom.pl agency and all stages of cooperation went smoothly.

We recommend Undicom.pl, as a contractor reliable, creative and responsive to customer needs.
